

FAIR SHARE AGREEMENT/PAYMENT PLAN

In extracurricular ensembles, there is a financial commitment required as well as a participation commitment. Each member is to earn and/or pay his or her “fair share.” It is the expectation of this organization that all members will complete their financial obligation to the band in a timely manner.

Student Fair Share pays for travel (transportation, show fees), show design, instruction/staff, uniform/costume maintenance, props, equipment, truck maintenance, and field maintenance.

Each family has the opportunity to subsidize fair share with student account fundraising. Any amount raised from these opportunities will go into the student’s account with the WFHS Band Boosters and applied toward the next fair share payment.

Financial Aid and Scholarships are available. Please contact Mr. Martel for a scholarship application.

Any outstanding fees from prior years must be paid before registering for the upcoming season. Any additional financial responsibilities (e.g. Spirit Wear orders) must be paid in full at the time the order is placed.

The FairShare for this marching season is \$700

- \$100 deposit is due June 1st.
- \$200 payment due July 31st.
- \$200 payment due September 1st.
- \$200 payment due October 1st.

All checks are made payable to *Wake Forest High School Band Boosters* and placed in the box located in the back of the band room. On the memo line, please indicate student name, activity (ex. Marching Band, etc.), and payment description (ex. Fair Share payment #1, etc.). Payments can also be made via PayPal using the link at www.wfhsbands.com.

Refund Policy

Refund of any money spent out of pocket will be made only if the situation for leaving the Band falls into one of the following four categories:

1. Student has been reassigned to a non-magnet high school over the summer and will not participate in the WFHS Band.

2. A family emergency prevents completing the obligation to the organization (a prorated portion will be refunded).
3. The family is relocating to another city and cannot complete their membership in this organization (prorated).
4. A written physician note stating the student should not participate in physical activity, including band (prorated).

Refunds will not be issued for any other reason. Once you pass a payment date, that is the amount owed. For example, if a student drops out on August 1st, they will owe \$350.

Agreement

I understand the financial commitment required as well as a participation commitment. I have read and reviewed the **fair share agreement** and will agree to the financial responsibility as set forth for the members. I understand that each member is to earn and/or pay his or her "fair share." I understand that students are to be held financially responsible for all school owned property that is loaned to them for purposes of participating in the WFHS Band. All school property is to be returned without damage and at the designated return date. Families will be held responsible for any damage incurred during the season.
